4. If this amendment requires the filing of a document or documents, please list -
Short-form registration for Dale Oak for Federal Government, Republic of India with corrected list of political contributions.

5. Each item checked above must be explained below in full detail together with, where appropriate, specific reference to and identity of the item in the registration statement to which it pertains. (If space is insufficient, a full insert page must be used.)

The short-form registration for Dale Oak on behalf of the Republic of India contained a typographical error in the attached list of his political contributions. The contribution to "Bob Brady for U.S. Congress" was actually made October 7, 2010, and not November 7, 2010 as previously listed. October 7 is outside the 60-day disclosure requirement, but the contribution remains on this amended short-form registration for purposes of clarity.
