On August 6, 1987, the law firm registered with the Department of Justice as an Agent of Fujitsu America, Inc., a foreign principal. In response to question six of Exhibit B, it was stated that the firm's representation would include "informing Members of Congress and their staffs and Executive Branch officials of Fujitsu America's views regarding pending federal trade legislation which would affect foreign investment in the United States." This amendment is submitted to amend that response to read: "Our representation includes informing Members of Congress and their staffs and Executive Branch officials of Fujitsu America's views regarding pending federal trade legislation as it affects 'Buy America' provisions and foreign investment in the United States."
